

CIRSx 2023 Annual Conference

Hosted in partnership with SurvivingMold.com

Thursday, July 13 – Sunday, July 16, 2023

Embassy Suites by Hilton - Boulder, CO

“Connecting the Dots”

SPONSOR + EXHIBITOR PARTNERSHIP OPPORTUNITIES

We are grateful for your support and see your services as ESSENTIAL in facilitating the healing of those afflicted with CIRS, and biotoxin illnesses. Without your services it is impossible for the patient to address biotoxin illness. **You are an integral part of the CIRSx goals: 1) Awareness; 2) Screening; 3) Diagnosis; 4) Treatment; 5) Graduation; 6) Maintenance**

This year's Conference theme is "Connecting the Dots". Our vetted Sponsors have never been more important as Doctors, Patients and the Public become more aware of CIRS and Biotoxin illness. This chronically ill population cannot graduate from this illness without your services and your quintessential role as a link in the chain of healing. If you do not see a package that interests you, we can customize something for you! **Contact Gina Vina at (+1-858-449-7600 or gina.vina@conferencedirect.com).**
